Om Violin-fenomenet Kathleen Parlow skrifver den berömde violinkonstnären och pedagogen professor Leopold Auer den 20 juni 1907:

"Kathleen Parlow hör till de mest framträdande fenomen inom den yngre violingenerationen. Hennes musikaliska och ~~[illegible]~~ tekniska begåfning äro bådadera lika öfverlägsna. På den korta tid af 18 månader, som hon spelat hos mig, har Kathleen Parlow svingat sig upp till en höjd af fullkomlighet, som sällan, ytterst sällan, har inträffat under min pedagogiska verksamhet."
